

Junior Duologue

Person 1 – You may think I am overreacting but I am so BORED.

Person 2 – But you are talking to me now so you can't be bored.

Person 1 – You're not boring. I meant before talking to you of course.

Person 2 - I was told by someone... I can't remember but being bored is a choice.

Person 1 - But there's only so much walking, running, cycling and tidying my room that I can do in a week.

Person 2 – I bet your parents are really happy that you are finally tidying your room.

Person 1 – It's because they don't have to do it anymore. (Both laugh)

Person 2 – I think it's funny, you know facetime and zoom.

Person 1 – Whys that?

Person 2 – Older people always used to say how technology makes us more distant and 'connect' less.

Person 1 – I think I would go crazy without it right now. I wouldn't be able to see my friends or YOU for such a long time.

Person 2 – I know, I think it's great how we use it.

Person 1 – During lockdown, I'm glad I'm staying connected with you.

Person 2 – Me too!

Person 1 – When this is over shall we throw a party? (Excited)

Person 2 – I can't wait (both laugh)
