

# You've Got a Friend

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together  
And call my name out loud  
Soon you'll hear me knocking at your door

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yes, I will

Now, ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them, oh, but don't you let them

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yes, I will  
You've got a friend  
You've got a friend

Ain't it good to know you've got a friend?  
Ain't it good to know, ain't it good to know, ain't it good to know  
You've got a friend?  
Oh yeah now, you've got a friend  
Yeah baby, you've got a friend  
Oh yeah, you've got a friend

# When Children Rule the World

We've got to keep this secret we gotta do this right  
If we don't screw up we could save his life  
Then this could be the night  
When children rule the world  
This could be the night, the night when children rule the world

Doves and kings and shepherds and wisemen came together followed the star  
They all gathered down in a manger they came from so very far

Were glad it's clear, our saviour is here  
He's gonna guard each boy and girl  
No hunger or thirst, the last will be first  
The night that children rule the world  
When children rule the world, tonight when children rule the world

All our greatest wishes are granted let us sing, let innocence reign  
All our prayers are finally answered blessed and free of all pain

Towers of fire, rise ever higher  
Magical flags will be unfurled  
To Jesus our god, the young are the strong  
The night that children rule the world  
When children rule the world, tonight when children rule the world

Towers of fire, rise ever higher  
Magical flags will be unfurled  
To Jesus our god, the young are the strong  
The night that children rule the world

When children rule the world, tonight when children rule the world  
When children rule the world, tonight when children rule the world

# Make You Feel My Love

When the rain is blowing in your face  
And the whole world is on your case  
I could offer you a warm embrace  
To make you feel my love

When the evening shadows and the stars appear  
And there is no one there to dry your tears  
Oh, I hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
But I will never do you wrong  
I've known it from the moment that we met  
No doubt in my mind where you belong

I'd go hungry; I'd go black and blue  
And I'd go crawling down the avenue  
No, there's nothing that I wouldn't do  
To make you feel my love

The storms are raging on the rolling sea  
And on the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yet

I could make you happy, make your dreams come true  
There's nothing that I wouldn't do  
Go to the ends of this Earth for you  
To make you feel my love, oh yes  
To make you feel my love
